Description

A wonderful original pair of 1920's art deco walnut bedroom bedside cabinets. These are a genuine pair and are not adapted or made up from another piece of furniture; the figuring on these bedside cupboard pot lockers would equally sit with rosewood and could be used as a pair of lamp wine or side tables. These are better than your average pair being highly stylised with beautiful figuring to the top and sides all raised on original feet and retaining original handles to the doors. This pair of bedroom night stands have been fully restored to the highest standard and would grace any home. Circa 1925. Excellent condition Measure 25.5"h x 20.5"w x 16"d PLEASE SEE OUR WEBSITE FOR FURTHER EXAMPLES ON SALE
