Description

I love it when these come my way, which isn't as often as I would like, so I was delighted to find this one on a recent buying trip, it's been well over a year since I had my last one. Made from brass wire mesh, it would sit perfect on a desk or foyer table or could also be wall-hung from the thick brass loop at the top. This one is meant to keep one organized, with two compartments, one for "Letters In" and the other for "Letters Out". A wonderful addition on any home or office in excellent condition. Measures 6 1/2" wide x 4 1/4" deep x 7 1/4" tall at rear to top of hanging loop. Item ID: 34615 FREE Worldwide Registered Airmail Directly From London, England
