Description

A Victorian Lectern or book rest, made from solid English brass, the front panel being beautifully decorated with pierced or reticulated work, and engraved. Perfect for that special book, perhaps a prayer book or smaller bible. It would also look perfect in the kitchen for recipe cards or again a smaller cookery book. There are three shaped supports at the front which is where the book would sit, these are fairly shallow so would lend itself to a reasonably slim book, the one shown measures 7 3/4" x 5 1/2" while closes and sits on narrow shelf. The book-rest stands on a folding easel stand, adjusting to the correct angle or folding completely flat and standing on four ball feet. Beautifully polished to gleam and in excellent condition. The front measures 10" x 8" tall. Item ID: 34593 FREE Worldwide Registered Airmail Directly From London, England
