Description

A wonderful and most unusual Victorian letter rack or holder, perfect for the Mr. Punch enthusiast with three seated Punch panels creating the compartments to hold letters, notes or even business cards. This slim panel of brass has a shaped and pierced or reticulated border and a circular cut-out at the top, clearly for wall-hanging. The three Mr. panels are beautifully executed with intricate detail. Each of the panel is lucky enough to sport an English design registration diamond allowing us to date it fairly accurately. Reading the diamond, the design dates to 25th October 1875. A lovely piece in excellent condition, measuring 10 1/4" tall x 1 3/4" wide.
