Description

A really delightful late Victorian sterling silver box, a good solid example made from a good gauge of silver by the highly sought-after silversmith Deakin & Francis. The lid is beautifully decorated with a repousse or embossed scene featuring three charming winged Cherub or Putti figures in a garden setting. The lid fits well and once opened, reveals a lavishly gilded interior and the base lined in a cream silk. The underside is where the full hallmark can be found for Birmingham 1901. Excellent condition, the lid having a diameter measuring 3" x 1 1/4" tall. Item ID: 34636 FREE Worldwide Registered Airmail Directly From London, England
