Description

About as charming as they come, this little letter or note clip has a cast brass cat having just caught a mouse between its paws. The cat's tail is used as the push lever to release the sprung clip, not loose at all, with a strong hold. The brass has been professionally cleaned by my silversmith, allowing us to enjoy this timeless treasure once again. Excellent condition (one small chip to a corner of the wooden base - insignificant but mentioned and shown for accuracy). The wooden base measures 4" x 2".
