Carter of Salisbury Oak Longcase Clock

Price

Sold**Item Reference: SA203770****Date of manufacture: 1800**

Description

A very pretty and small provincial oak longcase clock from the well known and Historical City of Salisbury. The 8 day duration movement striking the hours on a bell and with a 12" square painted dial displaying gilded fruit and flowers to the corners, blued steel hands, seconds, date aperture, makers name and place of work. The plain oak case of good colour with a long trunk door and a plain base with shaped single plinth. The hood with separate oak pillars capped with brass Doric capitals, a glazed hood door and a removable swan neck pediment with a brass eagle finial. Note: The Carter family were a prolific Clockmaking family based in Salisbury. The business still exists at the original premises in Minster Street. Please see Wiltshire Clock & Watchmakers by John Young for an extensive history of this maker.
