Description

Mirror Front Music Cabinet - Victorian - c1890 A Victorian music cabinet with a quartet of shelves presented in good condition. The piece is pleasingly crafted and features the original bevel edge mirror plates to the door. Rising from a simple plinth with feature relief to the front the cabinet rises through the field panel door and terminates with an attractive carved upstand at the rear. The door closes with the original brass catch. Overall a very desirable Victorian piece which offers tremendous style as well as being a functional item of furniture.
