Description

A French Pine Farmhouse Table. The table has a pine plank top and chunky Oak legs with strong end stretchers, it has a drawer at one end and one along the side. This is a good size and attractive family table; it is fully restored, it is sound and does not creak or wobble, there is old woodworm on the legs and replaced wood on the table top. I have taken the precaution of having the table treated for wood worm, always advisable with French Furniture. The table is 78" long, 30" wide, 30" high and 24" under knee height.
