Description

A lovely quality "school" clock or "station" clock. A 12" painted dial with black Roman numerals and nicely cut hands and brass bezel. The mahogany case is nicely polished with a deep, rich colour and patina. It has a side inspection door and lockable lower door. The 8 day fusee movement has just been fully serviced by our BHI registered staff. A clock with a very theraputic tick and excellent timekeeping. Would look great in any room in the house. .
