Description

This is a lovely pair of early 18th Century Portraits of a Gentleman and his Wife in the style of Lely. Wonderful oval frames and as you can see in the photos with good quality stretchers. Measurements are 25 inches x 30 inches. Lovely paintings showing the character of this couple and great to find the pair still together! Would look superb together in the same room? maybe either side of a fireplace? Delivery of these paintings is free to any UK address. If you require delivery to outside UK then please ask for a quote as this is not a problem and we are happy to help. Many thanks for looking!
