Description

Gorgeous French Table Lamp - Marble and Gilt Metal Base - c1900 This French table lamp is superbly presented and is a quality piece with much appeal. It is a striking example with a wonderful detailing. Rising from gilt metal cast legs into a stepped marble base, before developing through a cast gilt metal chalice into a solid marble vase with further gilt metal embellishment and swag. The lamp benefits from a new shade and brass standard lamp fitting, which accepts the most common bayonet type household bulb.
