Description

Large and Magnificent Clock Set A. D. Mougin ~ French - Circa 1890 ~ ~ Excellent condition ~ ~ A stunning gothic clock set of very large and impressive proportions. The clock itself is of 'drum head' shape with a particularly large cast and engraved brass dial mounted on a waisted support which is mounted on a wide quatrefoil base. This is ornately decorated with fretwork and mounted with finials at each corner. The dial is finely modelled and engraved with a minute ring. The hours are lettered onto 12 individual enamel copper cartouches which are mounted to the brass dial. To the sides of the dial are two large and very nicely modelled winged dragons which form stylised handles. The top of the clock is surmounted by an urn with grotesque masks and a fleur-de-lis finial. Candelabra are conforming in style and surmounted by 4 arms. The set is of very good quality with crisp, sharp and finely detailed modelling and the brass has a lovely clean and bright finish. This is a heavy and well made clock set. It is particularly suitable for display in the centre of your room. The candelabra are modelled in the round as is the clock and the rear door of the clock is gla...
