Antique Saddlebag Face, Baluch Tribes, Western Afghanistan

Description

This one half of a double saddlebag has an extremely archaic feel to it. The design is bold yet simple and I believe, of an early type. The bag has had a rough life - worn in places and with a bite out of the lower right border, yet it remains a very powerful piece. Size: 79cm x 68cm (2' 7" x 2' 3").
