## Description

Large 19th Century Iron Pot Stand, Farmhouse Kitchen This is an original blacksmith made piece, it stands on 3 long legs which curl in a decorative cocks comb at the top, the pot holders are round and supported between these. There are 9 pot rests in all, these are graduated from the top 5" ring to the bottom 10" ring This is a very heavy piece and I would have thought indestructible, so in good condition and it is ready to go to work holding iron pots in your Farmhouse Kitchen The Stand is 70" tall and about 17" across the base HN80 Delivery to Addresses in Mainland England & Wales is included in this price Delivery times vary from 7 to 28 days
