Description

This beautifully figured pembroke table on square tapered legs with brass casters has an interesting feature; one of the drawers opens to reveal 2 lovely tea caddies with hinged lids. These can, of course, be removed but it is a lovely feature and clearly indicates the original purpose of the table - one at which to serve tea. It is of superb quality being crossbanded and inlaid and all lined in mahogany. Would look lovely behind a sofa 33" x 21" closed 28.5" high
