Description

19th Century Chemist Drawers 25 Drawer Pharmacists Cabinet This is a delightful piece of Social History, it has been made in to a free standing Chest of Drawers, originally it would have been part of a much larger bank of drawers from a Chemist Shop. The drawer fronts are mahogany and have their original gold shadowed lettering. The chest has a new plinth and the sides and top which have been painted but the authentic appearance of the front has been preserved. The chest of drawers has 7 small drawers, 6 medium sized drawers and 4 larger drawers and at the bottom three long drawers. The chest of Drawers is 47" long, 35" high and 12" deep.
