Price

Sold**Item Reference: SA207929****Date of manufacture: 18th Century**

Description

The chest is made in solid Elm, it has a rounded moulded edge to the top and the sides are cut away to form the legs. The Coffered has a waxed finish; it has blacksmith made strap hinges and there is a candle box inside though I think this is a Victorian addition. This is an old piece it has a very good colour, it is in good condition for its years and there are very few marks. This Coffered would make a splendid coffee table or Toy Box or even a Log Box. The coffer is 37" long, 17" deep and 21" high. Delivery to Addresses in Mainland England & Wales is included in this price. Delivery times vary from 7 to 28 days.
