Description

A Large French 19th Century Oak and Iron Dining Table This is a good sturdy table, it has a very attractive solid oak top made from 3 planks with cleated ends to prevent any separation of the wood. The base of the table is a traditional refectory style, blacksmith made with very attractive wrought Iron Work. The table is good and sound, it has been sanded and refinished to give it a new life; it has very little age-related wear and it does not wobble. The table is 78" long, 29" wide and 29.5" high and it would be possible to take the top off for transportation. Delivery to Addresses in Mainland England & Wales is included in this price. Delivery times vary from 7 to 28 days.
