Description

Antique Silvered Brass Gothic Table Clock Set ~ French - Circa 1885 ~ ~~ Excellent condition ~~ A rare Gothic clock set, finely made of brass and selectively silvered to give a stunning effect. Of the highest quality, the set is constructed from many intricately made pieces and has the retailers mark C.CH. on the movement backplate. We think this is the mark of La Maison du C. Ch of Paris who specialised in fine interior decor. Above the dial is a coat of arms featuring 2 lions beside a shield. On top, two griffins stand a side a gothic tower. The clock has fretted front and rear panels featuring mythical creatures which are glazed with the original glass. This allows the specially made silvered pendulum to be seen swinging inside the case. The clock set is modelled all around and so would look great on a table as a centrepiece of a room or on a mantle or side table. Its complete with its original ebonised and gold bases. The back door of the clock has been specially made for the clock, it is silvered and glazed with frosted glass. The dial was specially made for this clock, it is enamel on copper and has a silvered centre with a copper plated backing a...
