Sold**Item Reference: SA208526****Date of manufacture: 1800**

Description

This Pair of Regency Mahogany Sabre Leg Footstools date from circa 1820. They have a very well-drawn leg which is quite fine. There are some old repairs but the Footstools will serve the purpose for which they were intended, assisted by the strengthening bar which has been put into each stool at some stage. Dimensions: Height: 7inches (17.5 cm) Width: 10 inches (25.5 cm) Depth: 7 inches (17.5 cm) The price includes Signed-for Postage within the UK. We are happy to quote for Overseas Shipping on request.
