Description

This trapping would have been tied around the neck of the camel during long migrations and made as part of the bride's dowry. It is in perfect condition with original tassels and dates to around the 1920s. There are highlights of silk throughout the woollen pile indicating that it was an important piece. It would make a fabulous wall-hanging! Size: 1.65m x 15cm (5' 5" x 6").
