Description

About as good as they get, I will only ever acquire a miniature Wellington when they are outstanding and this is certainly the best I have ever seen. Made from the exotic combination of Rosewood and Satinwood, this magnificent work of art retains the original hand-painted finish, exquisitely executed and very intricate. The sides have lavishly filled hanging baskets over-flowing with Roses. The bar to the right hand side is how the box is unlocked allowing the drawers to be opened, the chest comes with the original working key. Once this bar is locked, the drawers are unable to be opened. The top has a couple of stable veneer hairlines, insignificant but shown and mentioned for accuracy. A rare and grand piece in superb condition, standing 15 1/4" wide x 9 3/4" deep x 22" tall. Item ID: 34683 FREE Worldwide Registered Airmail Directly From London, England
