Description

Set Six Dining Chairs - Victorian Hepplewhite - c1870 A set of six Victorian revival Hepplewhite mahogany dining chairs including a pair of carvers. The chairs provide a classic look with 'Camel-back' upright, attractive splat and featuring Prince of Wales plume feathers carved detail. With moulded frame detailing and a pleasing sweep the arms this set offers great style. These are presented in very good condition throughout the set with strong joints. Ideal for daily use with a robust base with stretchering for extra durability. The chairs are of the 'drop-in' seat pad type and therefore will be easy to re-cover. Presently the set wear a faux leather which is fully serviceable save for one seat which has a split across the textile. With 45cm seat height and generous width the chairs offer a comfortable seating experience. The addition of a pair of carvers gives the set an extra edge and adds to the desirability. They provide excellent value and will serve and perform excellently for many decades to come. Please do not hesitate to contact us if you require further information - we are here to help.
