Description

A very comfortable 10 seater table. It comprises a drop leaf centre (with one loose leaf) and 2 'D' ends. Fully extended it is 9' 6" and you can easily tuck 10 large Georgian chairs underneath. It is 48" wide and the height is 30". It is late 18th C and stands on elegant square tapering legs. The configuration of the legs does not interfere with the chairs as there are only 3 legs on each end and one down the side (the other gated leg is in the centre when the table is open)
