Description

A real stunner and a very special set, they don't come along so complete very often. The wonderfully shaped base is topped with four of the most exquisite handled egg cups, beautifully engraved and lavishly gilded on the interior. The stand has a highly decorative border, embossed and hand chased. What makes this a particularly special set is the four original matching spoons, with the same engraved decoration to the terminals and each signed by the top-notch silversmith, Walker & Hall, to match up with the mark on the underside of the tray. Quite exquisite, dating to the late Victorian or Edwardian era, around 1900 and in excellent condition. One not to be missed! The base measures 10" x 5" and each cup has an opening diameter measuring 1 3/4". Item ID: 34036 FREE Worldwide Registered Airmail Directly From London, England
