Description

A French Ship's Mast Head Figure This captivating piece was in pride of place in a French Sailors Bar for many years, I was able to rescue her during a planned refurbishment. She was probably made as a purely decorative piece and has never been on the prow of a ship. Her paint is still bright and she can be suspended from a large hook mounted in her back, she is made from composition and has a wooden base The figure Head is approximately 35" high and 20" wide HN113 Delivery to Addresses in Mainland England & Wales is included in this price Delivery times vary from 7 to 28 days
