Description

Set of Six French 19th Century Heavy Carved Oak Carver Dining Chairs This is a Very beautiful set of High Back Heavy Oak Dining Chairs all the chairs have arms and are very comfortable and roomy, each chair has a different face carved into the back, the quality of the carving is very fine though I am not sure of the significance of each individual head The set has good very sturdy carved oak frames, high backs with turned legs and an H stretcher, and the chairs have attractive carved shepherd's crook arms. The chairs have drop in Rush seats which have seen little wear, these chairs have obviously been kept in the Dining Hall for use in formal occasions The chairs are 43" high at the back and 20" deep, and 23" across the front DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE Delivery times vary from 7 to 28 days Ref: HN125
