Description

Very elegant antique Edwardian mahogany side table in good original condition. It has a solid mahogany top, 2 drawers & shaped tapered legs. There is some fine inlay on the drawers & on the edges. The whole table has a serpentine shape on the front back & sides. All the edges have canted corners & the drawer handles look like they might be ivory, bone or simulated. To be honest, it's hard to tell what they are made of, but they do look original. This is a beautiful & exquisite piece of furniture. Width - 17", 43 cm Depth - 14", 35 cm Height - 27.5", 70 cm
