Description

This small antique Edwardian walnut bow fronted chest of drawers is fabulous quality & in lovely condition. The top is burr walnut with figured walnut crossbanding & the drawer fronts are burr walnut too. The top also has a reeded edge, the drawers all have locks & brass handles. It sits on splayed bracket feet with an apron front & sides. This very compact piece has really tight burr walnut veneers with a lovely pattern & the drawers are oak lined. I would date it to around the 1910 period. Width - 24.5", 62 cm Depth - 18", 46 cm Height - 29.5", 75 cm
