Description

Superb Large 18th Century Venetian Gilded Brass Mirror. This is the most outstanding piece, it is absolutely original, there are no repairs or damage, the frame is gilded brass, which admittedly has darkened with age. The brass decoration of the Frame is a floral theme which is carried through on the etching on the glass. The Mirror has an elegant cornice with a large highly decorated round bevelled glass in the centre. The Back of the mirror is original, and it has mirror clips which have held it to the wall for many years. The Mirror is 51" tall and 30" wide.
