CHARMING FRENCH "ANIMALIER" BRONZE

Price

Sold**Item Reference: SA213704****Date of manufacture: 1850**

Description

V. DELAPLANE, Paris*: a charming and rare French animalier bronze sculpture of a nanny goat suckling its kid, on its rectangular integral base, which indicates a quite early date. Good dark brown patina; fully signed within the base. * Although Delaplane is an "unrecorded" artist, this exact model is illustrated in "Animals in Bronze" by Christopher Payne, page 267.
