Description

French Dresser - Elm - c1800 This French dresser cabinet is solidly crafted in elm and offers tremendous character and county charm with deep colour and patina giving a superb feeling of warmth to the whole. This well proportioned and very functional piece offers both beauty and style. A pair of field panel doors open to reveal a generous storage area with central shelf. The doors benefit from extended pierced wrought iron lock escutcheons and a large working lock with key, and hang on splendid tall external 'H' hinges. Twin drawers with splendid wrought iron pulls offer storage for cutlery and smaller items. The wonderful look and versatility of this unusual item of furniture ensures that it will look as at home in the kitchen as it will in the dining or common areas. The construction of the piece is excellent and the whole is presented in good antique order. A charming antique which piece provides great interest.
