Description

A truly beautiful gilt bronze clock of lovely size and proportions. A classic LouisXVI style with an urn top and vine and grape swags to the sides. Pierced fretwork and lions paw feet. The 4.5" enamelled dial has black Roman numerals with interspaced red/brown Fleur-de-lis and fine cut hands. It is free from any chips, cracks or crazing. The front opening door is fitted with a bevelled convex glass. The 8 day, pendulum movement strikes the half-hours and the hours on a bell. It has a charming, mellow strike. It has just been fully cleaned and serviced by our BHI registered staff. Unusually, the back of this clock is also gilded, allowing it to be used in a table situation within a room. Dimensions: Height 17" (44cm) Width 10" (25cm) Depth 5" (13cm)
