

SA214144

Automaton Longcase Clock.

Price

Sold**Item Reference: SA214144****Date of manufacture: 1850**

Description

An 8 day longcase clock with three finely painted sailing ships that rock in time with the ticking of the clock. The 8 day, twin train movement strikes on a bell and it has just been fully overhauled by our BHI registered staff. This clock is undoubtedly of Dutch origin, having a bonne base with lions paw feet. There is a gilt ventricle to the case door allowing the brass pendulum to be seen swinging when the clock is operating. A nicely polished case with sound frets to the hood and blind fretwork to the arch of the hood. The arched painted dial has black Roman numerals and subsidiary seconds dial and date aperture. Dimensions: Height: 92" Width: (base) 22" Depth: (base) 12"
