

SA214386

A Studded Hide Covered Travelling Trunk, early 18th Century

Price

Sold**Item Reference: SA214386****Date of manufacture: 18th Century**

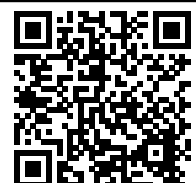

Description

An early 18th Century Hide Covered Travelling Trunk with studded decoration and iron strapwork, the domed cover initialled A.L., with side carrying handles and mounted upon a later early 19th Century wooden base with bun feet, the interior is lined with an early 19th Century floral block printed course linen fabric. I estimate the base and the fabric were added to the chest at the same time. 50cm x 107cm x 52cm.
