Description

Professionally restored and rewired. This is a fabulous opportunity to acquire a pair of solid brass genuine 1940s table or desk lamps. They are quite beautiful with the swan neck and they retain their original vaseline glass shades which are white opaque in colour.. They are heavy as they have weighted bases making them incredibly stable and also felt to ensure they do not mark your furniture. They have been fully restored and rewired by a fully qualified electrician and are ready for immediate use. Both are in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine 1940s pieces. Each measures 14 inches in height, and the base is 4.5 inches square. Rare to find a pair in such superb original condition and would wonderful placed on a desk, table or used as bedside lamps.
