Description

About as good as they get and by the creme de la creme of English silversmith's; Elkington & Co. Beautifully cast and unusually with cast bases rather than the usual filled or weighted base, these are solid and nice and heavy, standing well. The sticks are further enhanced with beautifully shaped bases and removable drip pans. Each has a full mark for Elkington and being Elkington lucky enough to include a date letter, this one dates this pair (U inside a diamond shaped lozenge) to 1859. Superb in every way and in excellent condition, they stand 10" tall with a base diameter measuring 5 1/4". Item ID: 34759 FREE Worldwide Registered Airmail Directly From London, England
