Description

Fully restored and service with a 12 month warranty. This is a beautiful example of a large 18ct gold plated Victorian French alarm repeating carriage clock dated to around 1860. It has a stunning 18ct gold plated case with a shaped fold down handle which is in mint condition having just undergone full restoration and replating. This is NOT a polished and lacquered brass case and being 18ct gold plated it will not tarnish or deteriorate, only a light dusting with a cloth is required. It textured silver mask dial is quite stunning and compliments the gold plating beautifully. Quite amazingly it retains its original bevel edged curved glass which has no chips or cracks. The movement is of an exceptional high quality made by B&G France and has its original platform escapement and key, it runs for a full 8 days and keeps excellent time. It strikes on the hours and half hours on a tuned coiled gong and has a repeater button which strikes the previous hour. The movement is in excellent clean and running condition having just undergone a complete and comprehensive overhaul by Alan Williams who is a Fellow of the British Horological Institute so you can be assured that thi...
