## MID 18th CENTURY DUTCH MARQUETRY HAND CHAIR

Price

**Sold**

**Item Reference: SA216307**

**Date of manufacture: 1750**

## Description

FINE mid 18th century Dutch walnut and marquetry hand chair of a lovely shape and design. Early thin cabriole legs with claw and ball feet with lovely early shaped seat. Wonderful early design marquetry including birds and cherubs to the back splat. One or two old repairs as to be expected on a chair of this age otherwise pretty good. SIZE; 20" wide by 45" high overall
