

SA216455**SUPERB TINY GEORGIAN
SCOTTISH SNUFF MULL.**

Price

Sold**Item Reference: SA216455****Date of manufacture: 1800**

Description

Here we have a superb tiny Georgian Scottish snuff mull. Horn with silver top and a Montrose agate set in the middle. The top has been nicely engraved with a later date of 1894 which was when it was probably given to someone as a gift. Very good condition with no damage. The smallest Scottish snuff mull I've ever seen. SIZE; 2" long. 1" diameter top
