A Beautiful Antique Polychrome Grandmother Clock

Price

Sold**Item Reference: SA217505****Date of manufacture: 1930**

Description

A beautiful antique polychrome grandmother clock with a steel engraved dial with Roman numerals and cherub spandrels. Having a high quality German spring movement which strikes chimes on the quarter, half, quarter to and on the hour. Inscribed by the makers Penlington and Batty of Liverpool, with a further plaque inside the door to state it was a wedding present in 1933 (see pictures). The case is made from solid oak and decorated with hand painted trailing floral garlands and various baskets of flowers. The trunk door with block moulded detail and twist spiral columns, the whole supported on splayed bracket feet circa 1933. Dimensions: 67" high x 9.5" deep hood. Dial 8" x 8". Condition: This clock is in excellent original condition. The movement has been cleaned, overhauled and is guaranteed for twelve months.
