Description

Always popular are these antique bread forks, so very elegant on the table to serve all sorts of things. They are particularly sought-after in sterling silver rather than silver plate and even more desirable with these beautifully iridescent Mother of Pearl Handles. The fork is beautifully engraved both sides and attached to the handle with a highly decorative shell shaped ferrule. There is a full English hallmark for Sheffield 1900, making this a late Victorian example. Excellent condition, measuring 7 1/4" long.
