Description

Antique Edwardian mahogany cupboard, with satinwood inlay. It's in lovely original condition & could be used as a bedside cupboard or anywhere else in the home. This cupboard is a bit larger than the usual models I've had in the past. The inside shelves look like they have been covered in something & there are two on top of each other. I will check that & make sure we have correct shelves put in if they are not right. Width - 17", 43 cm Depth - 14.5", 37 cm Height - 32", 81 cm
