Description

This antique mahogany two door wardrobe is good quality & in excellent original condition. It would work well in the bedroom or even as a hall cupboard for coats, etc. The front cupboards have stunning flame mahogany panels & it sits on bracket feet. The top cornice has dental mouldings below, while inside there is a top shelf & a hanging rail below. I would say it dates to around the 1890-1910 period & it has plenty of character. Width - 42", 107 cm Depth - 21.5", 54 cm Height - 75", 191 cm.
