Description

To Timuri and Baluch collectors, this carpet can only be described as fabulous! Albeit worn in the centre and also with corroded brown, it still glows as the best of Timuri carpets do. Look at the brocaded ends - just magnificent and complete! There is only one small area of repiling in the top right-hand corner where there was a slight ruck due to the tightness of the brocaded skirts, otherwise it is completely original. I hope it goes to a good home - to someone who will treasure it. Size: 2.19m x 1.44m (7' 2" x 4' 9").
