Sold**Item Reference: SA219695****Date of manufacture: Victorian**

Description

Antique Victorian chest of drawers in good original condition, with a lovely colour, rounded corners, original turned bun handles, locks on all the drawers & very deep graduated drawers. The bottom drawer actually comes out joined to the plinth, so there is no wasted storage space. There are also flat bun feet at the base. The drawer bottoms are solid too. This chest which dates from around the 1860-80 period is in good condition & structurally sound, with drawers that work. I think this chest is solid teak, so I think it may be a colonial piece. Width - 42", 107 cm Depth - 19.5", 49 cm Height - 43", 109 cm
