Sold**Item Reference: SA219696****Date of manufacture: 1910**

Description

Good quality pair of antique French open arm salon chairs, with good crisp carvings & a nice warm colour. The walnut or mahogany (I'm not sure which) frames have a lovely shape & they have been re-upholstered in calico, with double piping. They are in good original condition & I would say they date from around the 1910-20's period. The seats are good height, so they could be used as carver chairs at the end of a dining table. These type of chairs are always very versatile, great in bedrooms, living rooms or anywhere in the home. Width - 24.5", 62 cm Depth - 24.5", 62 cm Height - 37.5", 95 cm Seat - 18", 46 cm
