Description

This large antique Victorian mahogany chest of drawers is fabulous quality & has very unusual proportions. It's very high, plus very slim from back to front & is in lovely original condition. The top, sides & drawer fronts are all solid mahogany. It has rounded corners, locks in all the drawers & the original beautifully turned handles. This chest is fabulous quality & to be honest it needs to be seen in real life to appreciate the quality. The drawers are graduated, well constructed & have fine dovetails. The grain of wood & colour are also nice, which can be seen in the images, so please enlarge all of those. Width --- 52" (132cm) Depth --- 18.5" (47) Height --- 54" (137)
