Description

F. BARBEDIENNE: A really pretty and very high quality French BRONZE BOWL modelled with wheatears and flowerheads around the main body, and with twin handles modelled with hops. It is signed: F. Barbedienne (who together with Collas started a foundry in Paris in 1838) ~ this signature being engraved, and thus quite early. 6ins wide; the bowl 4ins in diameter. The quality of the details is particularly fine.
